

Official opening of award winning affordable housing scheme

Inside Housing selected the scheme, in Imber Cross, Thames Ditton, as [one of the top 50 affordable housing developments completed in 2013](#), and as one of the top 5 specialist housing developments.

Dominic Raab MP (MP for Walton & Esher), Alistair Court-Smith (ex-chairman Rosemary Simmons Housing Association) and Councillor James Browne (portfolio holder for housing, Elmbridge Borough Council), from left to right in photo above, [formally opened the development](#).

The development provides 12 new homes all designed to Lifetime Homes Standards. The buildings are designed to meet Code for Sustainable Homes Level 4 and incorporate on-site renewable energy technology including air-source heat-pumps, solar-thermal and solar-PV panels and MVHR (Mechanical Ventilation with Heat Recovery) systems.
