

## Rugby legend formally opens 999 Club Nursery

Phil Vickery (Gloucester, England and British Lions) performed the official opening of our nursery space for the 999 Club in Deptford.

We have worked with the charity on a number of alterations and improvements to their facilities over the years as part of the Lady Florence Trust development.

The [999 Club](#) offer support to vulnerable people in South East London.

Read more about our affordable housing scheme in Deptford for the Lady Florence Trust on its dedicated [project page](#).
