

Official announcement of opening of Hendrix rooms at Handel House Museum

We are delighted to be able to share the some of the press and media reaction to the official announcement of the opening of the Jimi Hendrix flat that forms a major part of our project for the Handel House Museum in Mayfair.

The Hendrix flat will be open to the public from February 2016 and tickets go on sale on Monday 2nd November.

Now headed 'Handel & Hendrix in London', the museum is being updated to display and interpret the history and heritage of both Handel and Hendrix at Brook Street. As described on the museum [website](#), 'separated by a wall and 200 years are the homes of two musicians who chose London and changed music'.
