

Jobs

Haines Phillips Architects are seeking a talented Part 3 or Part 2 Architect/Architectural Assistant to join our small, dynamic office.

Candidates will have excellent design, detailing and presentation skills and CAD proficiency (Vectorworks preferred).

They should also have proven experience of all aspects of a project, including job-running, site work and technical detailing in particular of residential developments and extensions.

We have a varied workload (including in commercial, mixed use and arts projects) but concentrate on residential projects at a wide range of types and scales.

Salary to be commensurate with Qualifications and Experience.

Please email Paul Lofthouse at paul.lofthouse@hainesphillips.co.uk with your CV and portfolio for consideration for interview.
